Scott, Brad:

Please be advised that you are not to spend any more of my money on any type of ads.

Since my money has not been refunded, I have notified my credit card company to block any further withdrawals by you.

They are also sending me the paperwork to protest the \$750 charge. I am not protesting the \$69.00 previously paid to you.

If you have a reasonable offer to settle this, let me know.

Char Collins
