We have delivered clicks and calls as you can see from the account. You have repeatedly said that we are a rip off, we are placing you online and you are getting calls from these clicks, so I'm having a hard time understanding what your concerns are. You are in a three month agreement, it sounds like you are trying to breech an agreement, which at this point is out of my hands.

Contact Scott, I am just your sales rep.
If you know of anyone who may be dissatisfied with their current online campaigns I would be honored to give them a consultation free of obligation. Please forward me their contact information and we can arrange for an introduction. I can reward you with $200 for every client you send my way.

Brad:

I logged in today because Scott sent me directions how to log in. If you look at my account you will see I have never logged in before. As I have

stated before, you are a rip off as far as I am concerned.
