HON. CHRISTIAN F. HUMMEL

STATE OF NEW YORK )  
COUNTY OF RENSSELAER )ss.:

Charles E. Collins, III, being duly sworn, deposes and says:

1. That I am the Plaintiff in the above entitled proceeding and make this Reply Affidavit in response to the Defendants' Memorandum of Law in Opposition to Plaintiff's Motion to Reargue and in response to the Defendants' Motion for Stay of Proceedings.

2. Mr. Rivchin has failed to controvert even one of the factual assertions contained in my Reargument Motion as he is fully aware that Yodle illegally recorded my phone conversations and took other illegal actions against me as documented in my Affidavit in Support of the Reargument. Further, Mr. Rivchin has not disputed in anyway the multimillion dollar scam operation that Yodle is operating and did not respond to one argument I made concerning Yodle's scam operation.

3. That it would be in the best interests of all parties concerned for the Court to rule on my Reargument as it would save both parties money and time in bringing this issue to finality.

4. There is no basis for the Court to grant a stay. The Court could have granted a stay of the proceedings pending an Appeal of its September 14, 2011 Decision and Order.

5. The defendants' argument that not granting a stay "presents the risk of inconsistency and wasted resources" is not a

viable basis to impose a stay of the proceedings.

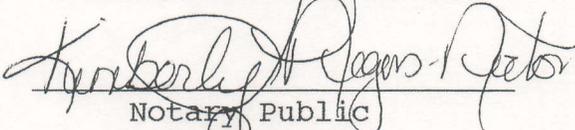

6. The defendants' conclusions contain conclusory assertions without any facts to support them.

WHEREFORE, your deponent prays for an order granting the Reargument, dismissing the defendants' motion for a stay and for such other and further relief as this Court may deem just and proper.
